NEWS RELEASE

March 25, 2010

EasyMed Services Inc. to roll out its first mobile smart phone health application worldwide

TORONTO, ONTARIO – (March 25, 2010)

Further to the news release dated February 23 2010, EasyMed Services Inc. (CNSX: EZM) (“EasyMed” or the “Company”) is pleased to announce that the Company has signed an agreement with Wanga Ltd., a UK based mobile smart phone application developer to roll out a new product targeting a worldwide mobile smart phone platform.

Key service features to be accessible on the mobile phone would include:

- Emergency Health Passport for you and your family
- Emergency Numbers Worldwide
- Personalized Health Tips

EasyMed CEO – Dr. Bisognano states, “The agreement with Wanga Ltd. is very exciting for the Company. This alliance will allow for an expansion of our corporate development plan to position our product in the international market. The implementation of the agreement between the two companies will enhance the powerful IT and developmental capabilities of EasyMed’s satellite office in Chennai, India. We are looking forward to announcing the launch date and details of the new product in the coming weeks.”

EasyMed Services Inc. is a Medical and Health Technology Services Company based on an Internet and Mobile phone platform offering a range of services and applications for individuals, families, and medical and health care providers. The main service features include medical and health reminders, on-line and mobile phone access and interactivity, telemedicine, and an international medical and health information service. The company is and headquartered in Geneva, Switzerland with offices in Chennai, India and Toronto, Canada.
