MERGER BRINGS EASYMED SERVICES SA – SWISS MEDICAL AND HEALTH TECHNOLOGY PROVIDER TO CANADA

TORONTO, ONTARIO - (February 16, 2010) - InCana Investments Inc. (CNSX: IIN) (“InCana” or the “Company”) is pleased to announce that it has successfully completed the previously announced acquisition of EasyMed Services SA (“EasyMed”). Pursuant to the terms of the arrangement (the “Arrangement”), InCana has acquired 100% of the issued and outstanding shares of EasyMed (1,155,600 common shares) by issuing 12,000,000 convertible preferred shares of the Company, convertible into common shares of the Company upon receipt of shareholder approval of the Arrangement. During the shareholder vote, the Arrangement received strong support from InCana’s shareholders. Also pursuant to the terms of the Arrangement, the Company plans to effect the name change to EasyMed Services Inc with the regulatory bodies and issue 12,000,000 common shares of the company.

EasyMed consists of proprietary software, contracts, and a cash position of approximately CDN\$600,000.

In addition, InCana shareholders also approved the election of five new members to the Company's board of directors – Dr. Carmelo Bisognano, Mr. Thomas Wacinski, Mr. Jared Scharf, Mr. Sonny Janda and Mr. Vinod Harjani as well as the appointment of three new officers of the Company – Dr. Carmelo Bisognano as CEO, Thomas Wacinski as CTO, and Jared Scharf as CFO.

Dr. Carmelo Bisognano, CEO of EasyMed Services SA stated “We are delighted to have received a warm welcome and to be listed on the Canadian National Stock Exchange. In face of the pressing need for cost effective health care solutions, EasyMed Services Inc. offers a unique and powerful tool for individuals as well as medical and health care providers worldwide. A global demographic base, large development and service capacity, coupled with an integrated, innovative service offering, allow us to reduce health care costs and offer a practical and effective support tool to improve personal and family health care and health care management.

With our newly established corporate presence in Canada, we are well-positioned to focus our commercial development in North America and look forward to entering the Canadian and American markets.”

EasyMed Services Inc. is a Medical and Health Technology Services Company based on an Internet and Mobile phone platform offering a range of services and applications for individuals, families, medical and health care professionals, pharmaceutical manufacturers, insurance companies and complimentary service providers. The main service features include medical and health reminders, on-line and mobile phone access and interactivity, telemedicine, and an international medical and health information service.
